PROBABLE CAUSE

9. On November 13, 2018, Deputy A. Heredia of the Bernalillo County Sheriff's Department came in contact with a white Ford pickup truck bearing New Mexico plate AGJH41 on North Highway 14. Deputy Heredia queried the license plate and determined that the registration was suspended. A traffic stop was initiated at 12465 North Highway 14, Cedar Crest, New Mexico.
10. Deputy Heredia made contact with the driver who was identified as Brian DULL by State of New Mexico identification card. DULL was queried through a law enforcement data base and was determined to have a suspended driver's license and an active arrest warrant.
11. DULL was placed under arrest and searched. During the search of his person, a magazine loaded with ammunition was located in his left pocket. DULL was asked if he had a firearm. He replied that it was underneath the driver's seat. The firearm was collected during inventory of the vehicle prior to being towed.

12. Deputy Heredia ran a check on the firearm bearing serial number G108003 which returned as stolen. DULL was advised of his rights per Miranda. DULL said the firearm was given to him to pay off debt that he was owed. DULL admitted to being a convicted felon. Deputy Heredia conducted a background check and confirmed that DULL had felony convictions.
13. Task Force Officer (TFO) Eli Lucero of the Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF) conducted a background investigation and determined that DULL was convicted of Receiving Stolen Property and Tampering with Evidence in cause number D-911-CR-1998-00069 out of the 9th Judicial District Court, Roosevelt County, New Mexico.
14. On November 19, 2018, TFO Eli Lucero viewed the recovered firearm and ammunition at the Albuquerque Police Department Evidence Laboratory. A function check was conducted on the American Tactical M1911GI, .45 caliber handgun bearing serial number GI08003. The firearm functioned as designed. Also viewed were sixteen (16) rounds of .45 Auto caliber, Winchester brand ammunition. Firearm Nexus Expert, Special Agent Lisa Gaul, confirmed that the firearm and ammunition are manufactured outside of the State of New Mexico, thus the firearm and ammunition have traveled in and affected interstate commerce.
